DETAILED ACTION

Allowable Subject Matter

Claims 1-18 are allowed over prior art.

The following is an examiner's statement of reasons for allowance.

None of the prior art teaches or suggests an apparatus constructed to interrogate a wall plate containing a plurality of wells by investigating luminescence characteristics of the plurality of wells at a time using a corresponding number of fiber bundles wherein two groups of collecting fibers from the plurality of fiber bundles are collated into two collections each of a corresponding number of fiber bundles and each of two collections is presented to one of two wavelength selective filters each of which has a different wavelength filtering characteristic from the other and two further bundles of optical fibers downstream of the filters separately collect and transfer light which transmitted by the two filters to two discrete region of the detectors as claimed in independent claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
